# Letter From the Administration

To the Class of 2019,

In the halls and classrooms of AHS, on the playing fields at home and in our neighboring communities, and even across the globe, you have made us proud. It has been a privilege to watch the members of the senior class grow over the last four years and we consider ourselves lucky to have been a part of your high school experience. We are proud of the way you engage each other and push each other to be better and stronger individually and as a class. We are proud of the way you have interacted with your teachers, counselors, coaches, and school administrators in a proactive, responsible, and influential way. You have helped shape the future of Abington High School for the better. Your enthusiasm for educational excellence, societal tolerance, and social inclusivity are impressive and offer hope for the future. It has been rewarding, and fun, to work with you!

As you move into the future, we hope that you continue to hold yourselves to high standards and that you challenge yourselves with purposeful goals. As former First Lady, Michelle Obama said, "You may not always have a comfortable life and you will not always be able to solve all of the world's problems at once but don't ever underestimate the importance you can have because history has shown us that courage can be contagious and hope can take on a life of its own."

We hope you continue to have courage, be kind, and hold onto to all of the life lessons you have learned at AHS.

Congratulations and best wishes!

Teresa Sullivan, Ph.D., Principal

Laura Louko, Assistant Principal

# Letter from the Editors

Dear Class of 2019,

This year our theme for the yearbook is Making Waves. During our high school journey, we've all contributed by creating our own waves, whether it be in athletics, academics, or the arts. Our class has made an impact on the town, as well as our school. We've been recognized for many academic achievements and accomplishments, like the Blue Ribbon Award.

Even though as individuals, we all had a different high school experience, together we made it this far. We've made a mark on this school as a class, being only the second class to graduate from the new school.

We would like to say thank you to everyone who contributed to making this yearbook. We would also like to thank Ms. McHugh and Debbie Cohen for their guidance throughout the process. Lastly, we thank all of you for being who made this yearbook what it is. These pages are filled with all of you and what you brought to the Class of 2019. This yearbook is a way to keep these past four years in photographs to cherish and remember.

# Letter From the Officers

Dear Class of 2019,

It's that time of year. We watched three classes of seniors graduate before us, and now it's finally our turn! It's time to reflect on the past and look to the future. We've been lucky.

The four of us, personally, feel that we have been extremely lucky to serve as your class officers. Thank you for listening to our speeches, voting for us, showing up to our class events, and telling us your ideas.

And then there is the long list of things we were all lucky to have.

We were so lucky to have such dedicated advisors—Mrs. Howell, Ms. Kenealy, and Mrs. Daisy—who sat at meetings with all of us, made lists, contacted countless people and organizations, did endless paperwork, and relentlessly organized. They made our visions become reality. It is because of their efforts that our class gets to have beautiful memories of prom, powder puff, senior reception, and all of the other wonderful events.

We were also very lucky to be part of Abington High School during an exciting, unprecedented period of growth for the school. In our time here, we got to know the old school's halls that so many had traveled before us. We got to be in the building as they knocked down the old gym, and we got to watch the rest get knocked down from the newly built (and air conditioned!) school. Not very many classes will get the chance to say they attended both the old and the new high schools during their time in Abington.

But the Class of 2019 didn't just receive all these great things from Abington High School—it gave a lot of great things, too. Ever since middle school, our class has always been admired for its friendliness, its inclusiveness, and its work ethic. We led by example. Our class proved this with its MCAS scores, which helped Abington High School achieve the National Blue Ribbon Award.

But the road doesn't end here. Yes, we've made memories, we've learned, we've left our mark, but it's only been four years. We have our whole futures ahead of us. We led by example for our high school, and now we get to lead by example for the rest of the world.

After all, we're kind of a b19 deal.

Sincerely,

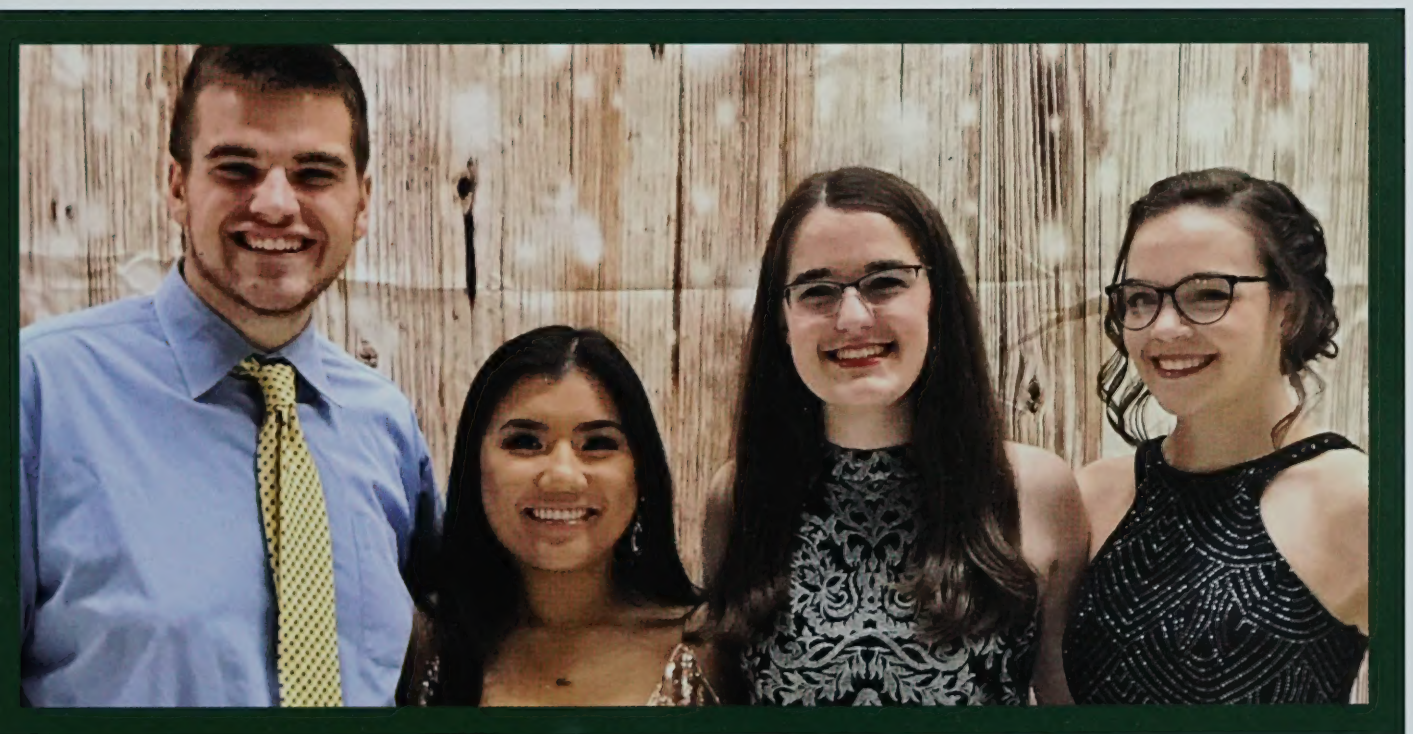

The Class of 2019 Officers

Fraser Toomey (President)

Amanda Nguyen (Vice President)

Madisen Caferro (Secretary)

Allison MacLeod (Treasurer)
